**American Expat Tax Services Pte Ltd**  
(Singapore Reg. No. 201022288K)

**FOR INCOME TAX YEAR 2021**  
**FORM 1120 & Other Entity Tax Returns**

**DISCLAIMER:** \_\_\_\_\_

the undersigned taxpayer (corporation, entity or agent of the corporation or agent of the entity) hereby engages the services of American Expat Tax Services, Pte Limited (referred to hereinafter as AETS) as a U.S. tax preparation service.

**SCOPE OF ENGAGEMENT:** The engagement will be complete upon the delivery of your completed returns. Thereafter, you will be solely responsible to file the returns with the appropriate taxing authorities if you are ineligible for mandatory IRS E-Filing. If you choose to have us file your returns on your behalf, you must duly execute the returns by signing all the appropriate tax forms. Charges for mailing the returns to the taxing authorities will apply. If AETS discovers information that affects your prior year U.S. entity income tax returns, AETS will make you aware of the facts. However, AETS is not responsible for identifying items or amending prior year returns unless specifically engaged to do so. Representation in the event of a tax audit by the IRS or any relevant state or foreign government's taxing authority *is outside the scope* of this engagement. If AETS is available, you will be provided with a new estimate and engagement letter, but AETS is under *no* obligation to provide audit representation.

**DISCLOSURE:** By U.S. law, AETS is prohibited from disseminating or sharing your information with any third party for a use *not* intended by this engagement. If you request AETS share your information with a third party for any purpose AETS is required to obtain a signed instruction letter from you. This consent is not necessary if the disclosure is to an attorney or the IRS or state taxing authorities. AETS is also prohibited by law from disclosing your information to third parties who wish to use the information for commercial purposes.

**BURDEN OF REPORTING:**

In connection with this engagement it is the responsibility of the entity or agent of the entity to provide *complete and accurate* information on all items of income and deductions for the relevant tax years. If such filing is applicable to you, you acknowledge that certain types of foreign accounts may require special reporting and are prepared to provide all the necessary details. You have receipts and other written documentation to support all of the information provided. You, the entity or agent of the entity, will retain your records for a period of at least seven years after the date the returns are filed in the event of a tax audit. Records in support of any asset with a tax basis (i.e., real estate, inventory) should be retained for seven years beyond the sale/liquidation of the asset. AETS does not maintain copies of the documentation given in connection with the preparation of returns. Further, you understand that AETS has no responsibility to verify or confirm the information provided and you, as the entity or agent of the entity are, at all times, responsible for its completeness and accuracy. AETS is however, subject to preparer penalties for taking unreasonable positions and aiding in the underreporting of income. As such, the staff of AETS will act in "good faith" in representing your information to the authorities and may request supporting documentation to support information provided in your Client Checklist or sent via email communication. AETS does have a responsibility under Section 6694 of the Internal Revenue Code to seek further information if such information appears incorrect or incomplete. In some cases a disclosure statement may be required.

AETS reserves the right to withdraw from representation at any time if there is unsubstantiated information or an untenable position (one with no substantial authority) in the opinion of AETS that you, the taxpayer, wish to pursue.

**ELECTRONIC COMMUNICATION:**

Emails can be intercepted, read, disclosed, or otherwise used or communicated by an unintended third party. AETS does not guarantee or warrant that emails will be properly delivered and read only by the addressee. AETS specifically disclaims and waives any liability or responsibility whatsoever for interception or unintentional disclosures of emails transmitted during the performance of this engagement. By your signature below you release AETS from liability for interceptions and unintentional disclosures.

**PRIVACY POLICY:**

We value your privacy and hold your personal data for the purposes of completing your tax filings only. We may contact you from time to time with general information of interest such as upcoming filing deadlines and changes to the tax code. You may unsubscribe from these emails at any time by following the directions in the email itself. At no point will AETS sell information that is provided to us. At any time, you may request to see the data we hold on your behalf and where appropriate you may request to have the data erased or amended. A full copy of our privacy policy can be found on our website.

**ACCURACY OF ESTIMATE:** You understand that the cost of preparing your tax return(s) is based upon you providing the information with regard to each of your items of income and expenses and deductions in a summary format. The estimate is also dependent on the completeness of data supplied and the complexity and number of forms, calculations, schedules, and number, if any, of state returns required by law. The cost of services provided will increase if we find during the course of preparation that you trigger the requirement for certain disclosure forms. The disclosure forms are mandatory and will be included in your return for tax compliancy. The cost of the services provided may also increase if data received is incomplete or inconsistent or if the information is not compiled properly and requires "source data" computations. If you desire these additional services, you must so indicate at the time of the engagement as this is a separate chargeable service. You, the taxpayer, will provide summary documentation as opposed to "source data" of information pertaining to rental properties and self-employment activities. Do not send receipts.

You understand that meetings with AETS staff beyond the scope of the current income tax return and research questions posed to AETS may be charged at an hourly rate of S\$500. An estimate will be provided prior to the execution of the work or at the time of scheduling the meeting.

**STATE RETURNS:**

It is not always easily discernible if the entity has a state filing obligation. Additionally, a state filing requirement may change from year to year based on your activities. As this is not often apparent at the time the estimate is given, research related to whether a state return is required and the preparation of state returns is separately chargeable. Some state returns require separate extensions. *AETS is not responsible for penalties associated with the late filing & late payment to state authorities.* This is applicable to new and returning AETS clients. If in the opinion of AETS staff, you have a state filing requirement you will be so advised after the necessary information is disclosed to AETS.

**PAYMENT:**

Prior to the start of work on your return/s you will be required to pay a retainer of half of the estimate, but not less than SGD \$700. If multiple year returns are being prepared, please pay **half of your quoted estimate**. The balance is payable upon presentation of your first draft of returns. An invoice will be provided by email and must be paid prior to E-filing. If you paper file your return, the invoice must be settled prior to receiving the final return. Any amount not paid within 20 days of completion of the return will be subject to a carrying charge of 1.5% per month. Disputes are subject to arbitration and the costs borne by the signee/s as permitted under Singaporean law. Acceptable methods of payment include Singapore Dollar Cheques, PayNow, Bank Transfer, or Cash.

**CONFLICT OF INTEREST:**

AETS may not represent one client when an interest is directly adverse to another client; or there is significant risk that the representation by both would materially limit the responsibilities of AETS professional staff. However, if it is determined that competent and diligent representation can be afforded to each affected client and fully disclosed within 30 days of the conflict being made known to AETS professional staff, written consent can be provided by both parties and maintained in the electronic client file by AETS for 36 months.
